

**SUNNIE AND JIM'S:
ODENVRBE 2**

IMPOSSIBLE NO

The 7th Dimension
is going nowhere fast
in a non-existent direction
so it is imagination!

BORN-LIVE DIE-FLY

We are born
and we die
and we do not
know why
so look to
the sky
and see
like the Hawk
that the spirit
can fly.

THEORETICAL PHYSICS

If we did not have theoretical physics
we would not have the vision for
discovering-describing-disclosing
that which is possible.

CHRIS WHITE

Chris has two close friends
a donkey and a camel
each can yelp and spit
they are never out of trouble
and always and for sure
they create much rubble.

SUNNIE LOVE

When I am alone
in my hotel room
I look at Sunnie
I talk with Sunnie
I read to Sunnie
I enjoy this
so much so
it is for Sunnie.

NO WEEGIE BOARD FOR ME

Reason is deficient
 the truth is plain to see
 there is no place to be.

FAME

I will not
 reach for
 the brass ring
 Sunnie said no!
 it is
 only brass.

INBETWEENNESS: WITHOUT STRINGS

Sunnie
 is the composer
 Jim
 is the virtuoso
 Omar

 and lives spirituality.

EXISTENTIALLY YOURS

there is no place to be
there is always this lady
without this woman
there is nothing
nothing
to see
nothing to be
this lady will always be
she flew away
there is nothing
I am not
nor do I want to
be free.

1:46 p.m. 5/23/07

I wander
nothing lets it be
with you always
she is the lady
skipping across
the cosmos
inbetweenness
she will always be.

1:50 p.m. 5/23/07

so if you look for reason
forget about what you
think you see
there will always be
she is the lady
even through
she flew away.

1:53 p.m. 5/23/07

this is not
existential
for there is nothing
to tell
nothing but dirt floor
hell.

1:56 p.m. 5/23/07

it is not always
what you see
that will not let
you be.

1:58 p.m. 5/23/07

EXISTENTIAL FLIP-FLOPPING

Then
to
 here
 now
 after
 and
before.

MOUNT WHITNEY

her hair washed through the wave
so much fire ashore
the ocean is cool
do not be a fool

flowing sound never found
on the floor dropped on down
the cat climbed the tree
just to be free

flying spatial has no facial
cut the floor
go through the door
waves flow light

dig the sand
the hairdresser's combs
high school come
all is numb.

INBETWEENNESS DOES NOT NEGATE

Inbetweenness does not negate religion
it shows that each religion is
one view of the whole.

Jim Kidd

INBETWEENNESS IS NOT

Inbetweenness is not between you and me
With *Inbetweenness* both of us are included.

Jim Kidd

DARK ENERGY

Inbetweenness is absolute
it is energy
not carried by
form or matter.
