

**SUNNIE AND JIM'S:
ODENVRBE 7**

**TRACING ONLY
WHERE SUNNIE HAS BEEN**

Kissing the horizon
moving passed
that which
already went by
a kissing touch
each horizon
as it radiates
one to another
circling that which is
chasing and catching
itself
yet moving faster
than fast
into
the next horizon
to a depth of
complexity
not many see
but you be.

JUST PASSING THROUGH

It is called staying out
of people's way
while going
your own way.

LIVING AND DYING FOR VALUES

When you take
a stand
you must be
ready
to pay
the price,
otherwise it is
not worth it!

STANDING IN IT

Within a circle of
contextual meaning
one finds oneself
which means that
any interpretation is
not presuppositionless.

IN SO DOING

The meaning of
the universe
takes a turn on itself
while looking at itself
it escapes itself.

STILLNESS TO CALM

I am still,
breathing,
It has,
not-yet
been taken.

Sunnie's In My Heart!

Jim Kidd

THE END OF A PHYSICAL-LIFETIME

Sunnie looked at me
 and said,
 "I am going out"
 I said,
 "I love you Sunnie"
 She said,
 "Thank You"
 and then She passed on . . .

WATCHED THROUGH EXPERIENCE

You cannot
 tell someone
 that is out of it,
 if they are out of it
 they do not know
 they are out of it.

HAWKS

There is a spiritual dimension that cuts across
 and goes through all dimensions.
 The Hawks showed me this!

HAWKIE SEEN

In the spiritual world no time division exists.
 There is no past, present and future.
 There is nothing but a single moment of the present.
 Here there is movement and vibration, matter and consciousness.

EXPERIENCE OF SPEAKING TO THE HAWK

I told the Hawk
 “Look! *Here!*”
 It turned
 took a long look
 at me!
 I said “Hi! Sunnie!
 I Love You.”

MARIE WHITE

May this Birthday
 be a happy one
 with many more to come
 so you “live long
 and prosper” as
 you “trek” through life.

ON OCEAN BEACH

I watched the Sun go
behind clouds before it
hit the horizon there was
a flashing brightness of many
splendored colors then
as it was immersed by
the cloud it seemed
to explode
“I Love You Sunnie!”

RIPon

I cannot be
until I cannot be,
then I can be,
in Ripon.

NOT NOW AND THEN

Jim and I enrich one another through our differences
in communal affinities which sanctify or consecrate the moment.
Which is held in authentic temporality and which is authentic itself.
This is a phenomenon which in principle
cannot be clarified in terms of the now.
