

**SUNNIE AND JIM'S:
ODENVRBE**

In Honor of
THE WRITING CARUSO

The poet sings
the soul's own songs,
to capture,
while liberating,
its timeless themes.

Sandra A. Wawrytko

THOUGHTFUL ACTION

Ethics is a call
to thoughtful action
to be tolerant towards
differentiated and antagonistic
values
in the attempt to create
a common future together.

DELIGHTFUL ELEGANCE

I enjoy seeing you smile
I enjoy seeing you laugh
I enjoy being in your presence
Je vous ami
Vous et belle
Enchanti.

The Writing Caruso

HUMOR

A sense of humor
is the way
on the path
of light
to illuminate
another
perspective.

The Writing Caruso
1:23 p.m. 8/24/01

Would be most appreciative
if human being
could get along.

Sunnie

Spiritual journey
travel light.

Sunnie
12:15 p.m. 12/11/92

Somethings
it is a privilege
to leave alone.

Jim
3:21 a.m. 11/21/90

I cannot teach you to think I can give you some thing to think on.

Jim

Wisdom is
understanding
and
compassion.

Jim

I refuse to be
satisfied with that which
other people call experience
and am inclined to
deny this world for reality.

DIMENSIONAL SUN

When one throws a pebble into a lake
the pebble goes to the lake floor;
continuous ripples on the water's surface remind us of the rock's path.

Jim

TO MY SUNNIE

At the beach
Inbetween
the ocean and the sand
is the corridor of
Inbetweenness
I
have seen and understand,
yes please!

Jim

INBETWEENNESS Poetic

as-yet unknown
 where the poet skates
 on glassy edge
 the far side of here
 on this side of there
 a corridor of originality
Inbetween the ocean and the sand
 on the edge of the world.

The Writing Caruso, Migrant Echo, X, no. 1
 (January-April 1981).

INBETWEENNESS Physics

Breaking-through-boundaries
 of time and space
 past-present-future.
 Single moment present,
 there is no limit;
 no definite duration
 of time and space
 without inclination
 ceaselessly moving on.

The Writing Caruso
 4:42 p.m. 10/14/89

TO POLISH AGAIN

Penetrated with
 signification
 to resist all
 stains and dishonor
 a shining quality
 given by friction
 refined by values
 an unbroken sheen.

The Writing Caruso

NO DRAGON

Carry tales
drag a lot behind.

The Writing Caruso
8:30 a.m. 6/25/90

WITH-ME

you will do
what you want
whether you like it
or not.

Jim

BEEN-WITH

I have always been-with
the idea that people respond
from where they live.

The Writing Caruso

AN INCOMPLETE SIGHTING OF THE SUN

When I think of Sunnie four themes stand out: Intelligence; Sense of
Humor; Quick Read of Character and Stubbornness, all within a certain
Style of Pleasantness.
