

JIM

Inspirational and humorous

Spiritual

Relaxed, makes it okay to take risks in his class

More than an instructor

You're able to leave your outside life at the door  
and give us your full attention

It's inspirational

Inspirational, relaxed, easygoing, responsive

Exemplified wit, playfulness, umbrella, bicycle

Accepting of the needs of the group as a whole —  
not his agenda

Keeps my mind racing and my imagination soaring

Inspires and guides my teaching

If only he still advised Ph.D. candidates!

Unknown writer/found in my book after class
